

## Career Advisors – Day out at NZ’s oldest and largest agricultural training centre, Taratahi, Wairarapa.

Wednesday 18<sup>th</sup> November 2009

You are invited to a fun, informative day out at Taratahi the day before your Wellington International Careers Conference starts. This will be a unique opportunity to have a look around the Taratahi campus, check out one of the farms we own and have some fun quad biking, maybe handle a tractor and see a shearing demonstration.

Lunch will be held at one of the wonderful local wineries plus there is also an opportunity to head to Carterton in the afternoon and stop off at the famous Paua Shell Factory Shop on the way back to Wellington. Taratahi will pick you up from Wellington at 9am and drop you off again at 4pm. The cost of the day is free including lunch and it will be a wonderful opportunity to come and see what Taratahi has to offer your students after they finish school.

To register or if you have any questions, please contact me by email or mobile.

Kind Regards

Natalie Bowie  
Liaison Officer
