- (1) The listed outcomes represent the minimum scores or grades for each test or qualification that qualify a student for enrolment at each programme level. Students with higher scores or grades than required for a particular programme level may still enrol at that level. Where the entry requirements for a programme are for a higher English proficiency outcome than is listed in the relevant row of the Table for the programme level in which the student is being enrolled, the student must meet that higher level.
- (2) IELTS scores used must be taken from a single IELTS Test Report Form (i.e. combining scores from more than one test is not permissible).
- (3) New versions of some NZCEL qualifications, and in some cases new qualifications, were published on 13 June 2017. These are intended to replace pre-existing versions and qualifications, which have been given expiring status until discontinued on 31 December 2019.
